

IL SANTO JESUS DELLE GRAZIE DI BERGAMO

PRAYER TO THE HOLY JESUS

O Lord Jesus, You said:

"Whoever wants to come after me,
take his own cross every day and follow me!"

But You also said:

"My yoke is sweet and my weight is light".

Give me, then, I beg You,

love par excellence, love for the cross:

not for those heroic crosses, whose splendor
could nourish my own love,

but love for those vulgar crosses

we carry unfortunately with reluctance,

for the crosses of every day,

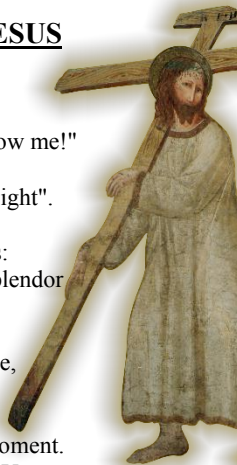

of which life is full

and you meet on the street at every moment.

Then only You will know that I love You,

though I do not know it nor feel it myself:

and this is enough for me! Amen.

"You pray so well there, in that chapel of the Holy Jesus, in
the provostal church of the Graces!" *(St Giovanni XXIII)*
